Usual Duration: 3 hrs

Distance from the center: 9.31 km

Practical information:

For more information and tips on trips contact an information center Litoměřice.

Porta Bohemica or "Gate of Bohemia" is the name for the canyon-like valley of the Elbe River, which meanders and creates a really beautiful natural scenery. Porta Bohemica can be seen from many places, such as from the church in Dubice (left bank of the Elbe) or from the top of Kalvárie hill at Velké Žernoseky (right bank of the Elbe).
